

The Elba Clipper

ELBA, ALABAMA 36323 THURSDAY, OCTOBER 3, 1974

1 SECTION 12 PAGES

NUMBER 16

GEORGE HOCUTT, president of Elba Lions Club and Elba Mayor Sam Sawyer in Sawyer's first official act after being sworn in Tuesday night by Probate Judge James Sawyer.

Mayor Proclaims Lions Service Day

Mayor Sam Sawyer has designated October 8, 1974 as World Lions Service Day. The official proclamation was made during recent ceremonies at City Hall.

On this date, more than one million Lions all over the world will unite in a single purpose: to serve the needy and the lonely.

In recognition of their dedication to the community and in observance of the global service effort of Lions, the Elba Lions Club will visit the residents of the local nursing home between 6 and 7 p.m. on October 8.

NEW RADIOS were installed last week in the Elba Police Department. They were paid for with a grant from LEPA funds as part of a county wide project to upgrade all of the police radios and eliminate some overlapping. Shown with the new equipment is Mrs. Joyce Skinner, radio operator.

Mr. McLendon Shows Big Pumpkin

Mr. L. A. McLendon of the Chestnut Grove Community grew this Jumbo Show Pumpkin from a package of seed he got from out West. This beauty weighed 101 lbs.

Mr. McLendon has four or five hills from one package of the seed. His aim next year is to grow one which will weigh 128 lbs.

Openings With Handicap Overcome State Are Announced By Kinston Native

The Alabama State Personnel Department this week announced examinations for filling present vacancies in the following positions:

Programmer Analyst I (\$9,672-\$11,856)
Draftsman Illustrator I (\$7,163-\$9,321)
Engineering Design Assistant II (\$7,527-\$9,672)
Highway Design Engineer III (\$11,472-\$14,534)
Librarian III (\$10,387-\$12,766)
Dietitian II (\$9,672-\$11,856)
Docks Electrician (\$4,555-\$5,153 hr.)

Full information and application forms may be obtained from the State Personnel Department at Montgomery or from any local office of the State Employment Service. Applications should be filed by October 15, 1974.

Arc Welding To Be Taught In Elba

Applications are now being taken for an adult class in Basic Arc Welding to be taught at Elba Area Vocational School.

Anyone interested may attend these classes. The course is designed to give the individual a basic knowledge of the arc-welding process, and develop basic skills in making simple welds. Classes begin Tuesday night October 15, 1974 at 6:00 p.m.

The course will last eight weeks, meeting twice a week on Tuesday and Thursday nights. The fee for the course is \$12.00.

Interested persons should contact Charles Pearce at 897-2266 or 897-2170 after 5:00 p.m.

12 Year Olds Must Have Permit

Effective October 1st, everyone 12 years of age and older, unless otherwise specified by law, will be required to have a \$1 fishing permit to fish in Alabama's state-owned and managed public fishing lakes.

In addition, all persons 16 years of age and older will be required to have a valid fishing license in their possession.

Boat rental fee will also be increased to \$1.50 per day. These changes have been brought about by the rising cost of fertilizer, maintenance, and general operating expenses at the lakes.

Land Opened In Geneva For Public Access

"I'm sure there are sportsmen in this part of Alabama who will be interested in the sports sites that have been opened on nearby farmland. Approximately 77,000 acres of farmland in Geneva County, Alabama, has been opened for free public access."

H. S. Estinger, Coffee County ASCS Executive Director said.

Hunting and fishing are the two main activities usually available on most of the farms, selected for their quality recreation in response to a heavy demand for such outdoor use in this area.

These farms in Geneva County are participating in a 1974 Pilot Access Program of ASCS, of the U. S. Department of Agriculture (USDA).

This test recreational program was approved for ten states. In each state the ASC State Committee designated five counties where farm and ranch owners were invited to participate in the program.

In the agreement, there is no charge for sportsmen to use the farmland, and roadside posters have been provided to help identify the farms.

Further information about activities and farm location is available in the Geneva County ASCS Office. The office is located in the Geneva County Courthouse, Geneva, Ala. Telephone number is 684-2588.

A few farms offer hiking as activity. Farms which provide fishing are permitted to sign hiking agreements, but farms which have hunting are not permitted to have either fishing or hiking.

For users of the land there is no discrimination as to race, sex, religion, color, or national origin.

The city directory will be placed in libraries and other locations around the country as well as being available to the public. Normally the company works through local chamber of commerce, but since Elba doesn't have an active chamber, persons wishing to contact Mr. Nutting may leave word for him at The Elba Clipper.

This book will contain the name of every person in the Elba trade area, 18 years old or older. It will list their address, telephone number and if they own their own home or rent.

Another section will list every street in Elba and who lives at each address on that street. There is also a section that lists the Elba telephone numbers in numerical order, allowing local citizens to cross check a number (when only numbers are given in a classified ad).

The city directory will be placed in libraries and other locations around the country as well as being available to the public. Normally the company works through local chamber of commerce, but since Elba doesn't have an active chamber, persons wishing to contact Mr. Nutting may leave word for him at The Elba Clipper.

City Directory Being Compiled For Elba

A city directory for Elba is on its way! The R. L. Plak company is presently compiling the information for the book and expect to have it published by late March or early April. Selling advertisements to local merchants is Mr. Homer Nutting.

This book will contain the name of every person in the Elba trade area, 18 years old or older. It will list their address, telephone number and if they own their own home or rent.

Another section will list every street in Elba and who lives at each address on that street. There is also a section that lists the Elba telephone numbers in numerical order, allowing local citizens to cross check a number (when only numbers are given in a classified ad).

The city directory will be placed in libraries and other locations around the country as well as being available to the public. Normally the company works through local chamber of commerce, but since Elba doesn't have an active chamber, persons wishing to contact Mr. Nutting may leave word for him at The Elba Clipper.

CHERYL BRINKMEIER, JENNIFER HUDSON, TAMMY PARKER
LITTLE MISS ELBA SELECTED

Thursday night, September 26th will be a night to remember for 26 beautiful little girls. Participating in the "Little Miss Elba" contest has to be one of the most exciting events in the lives of all the girls.

A large crowd attended the contest, and applauded for the little ones as they paraded across the stage in adorable attire.

Miss Jennifer Hudson was selected by the judges as the new "Little Miss Elba." Jennifer, the daughter of Mr. and Mrs. Jimmy Hudson, is a lovely red velvet dress accented with a white yoke and white collar. Jennifer enjoys softball, swimming, reading, riding her go-kart,

and most any sport. She has a poodle named Prissy. Jennifer likes her teachers this year. She has an older brother, Greg, 11, and an older sister, Jessica, 9. Jennifer will be 8 years old on October 13th.

Jennifer will represent Elba in the "Little Miss Peanut Queen" contest later this year in Dothan. Jennifer, Elba wishes you luck at the contest.

First runner-up in the contest was Tammy Parker, 7 year old daughter of Mr. and Mrs. Randal Parker. For the contest, Tammy was cute in a blue chiffon dress overlaid with a white lace bodice and lace sleeves. Tammy's

hobbies are swimming, playing house, reading, and she enjoys all types of ball. She has two dogs, Midge and Lucky. Tammy likes all phases of school. The Parkers have one other child, Tracie, 5.

Seven year old, Cheryl Brinkmeier, daughter of Mr. and Mrs. Kenneth Hicks, was second runner-up. Cheryl wore a beautiful blue velvet long dress. She enjoys reading, riding her bicycle, and waiting at the pool. She has a poodle named Charlie. School is one thing which Cheryl really enjoys. She has three older brothers, Mike 14, Tony 13, and Gary 11.

**MacArthur Students Show Trailer
Built During Classes**

Welding students at MacArthur State Technical College have recently completed the construction of a trailer which was a part of their instructional

program. All construction of the trailer was done in the welding shop with the exception of the wheels and axles. Picture-left to right--Claude Davis, Andalucia; Richard Washington, welding instructor; Herbert Holloway, New Brockton.

VICA Spotlight

Congratulations, John, we are expecting many big things from you.
The second happening took place in August when the machine that is shown in the picture with John arrived. This machine is a very modern welding machine that features both AC and DC current ranges. This machine is very similar to most machines used in the highly technical industries, and is used to test all welders for certification. It should give the students a much greater chance to really develop on his skill as a welder.

This week the spotlight focuses on the Welding Department of Elba Vocational School. Two big events took place this summer that will increase the effectiveness and the reputation of the student that graduates from the welding program. The first event that excited all eyes in Vocational Education happened in June when John Davis became the first fully certified welder to be tested while still a student.

NEWS from your PHARMACIST

A pharmacy offers many items for skin care. Two of these are medicated soap and medicated make-up. The soap is especially useful if you have oily skin or acne. There are a number of these soaps on the market, but basically they all contain ingredients to fight bacteria, cleanse the skin, and dry the skin.

Medicated make-up offers a double-barrelled solution to the acne problem—it heals while hiding the acne. This make-up, used by both males and females, contains antibacterial agents to fight infection. It usually also contains ingredients designed to dry up the oils on the skin.

Medicated make-up and soap are just two of the thousands of health care items which we keep in stock for your convenience. Stop in today and look over our vast array of pharmaceutical supplies.

FHA CORNER

OFFICER ELECTIONS

2nd Period

The 2nd period class of Mrs. Terrell's Home Economics classes met on Wednesday, Sept. 11, 1974, in the classroom. The purpose of the meeting was election of officers. The goals, projects and objectives for the year were related. The officers are as follows:
President - Katrina Hayes
Vice-President - Maria Horstead
Secretary - Melanie Scarborough
Treasurer - Jacqueline Hammond
Reporter - Angela Gray
Parliamentarian - Sue Herring
Historian - Brenda Lucas
Song Leader - Jacqueline Moreland
Recreational Leader - Kathy Fuller
Photographer - Doris Hall

5th Period

The Fifth Period FHA Class has elected officers and are now discussing projects. Officers are as follows:
President - Anita Mobley
Vice-President - Lisa Sell
Secretary - Cindy Allen
Reporter - Verlon Daniels
Treasurer - Rona Folmer
Historian - Lendy Smart
Parliamentarian - Toni Dubois
Song Leader - Lisa Westbrook
Photographer - Sandra Daniels
Recreational Leader - Traci Daniels
Our program of work is:
1. Reaching Out Your Hand;
2. Preparing For a World of Work;
3. Preparing For Homemaking;
4. Selling Cookbooks;
5. Building Better Home Life;
6. Making a Better Tomorrow
Reporter, Verlon Daniels

SCHOOL SPIRIT

Mrs. Terrell's fourth period class of FHA sponsored a "Better Your School Spirit" week during September 23-29. Each club member in this section made posters pertaining to this activity and posted them in all hallways and on bulletin boards. Every student on campus was asked to write an essay.
This activity was a very worthwhile one and offered many opportunities for students to express their personalities and their feelings relating to good school spirit. Reporter, JULIE HOLLIDAY.

STAN LEWIS & '88'
(his pet lizard)

The following essay on "School Spirit," was written by Stan Lewis and won 1st place in the "Better Your School Spirit Week" Essay Contest.

The first step in having just what school spirit really is. It's not something I can reach out and grab hold of physically. It's something I reach out and grab hold of with my heart and mind. School spirit is not just yelling at pep rallies or football games; it's not just waving my team to win or my hand to perform the best of all other bands. School spirit is having a deep and true concern for my school, what it stands for, and the many others who go there or are connected to it in some way. School spirit should show in the faces of the students, the rooms of the school and all around the campus. I can tell there is a lack of school spirit when I see littered campus grounds, topsy turned classrooms and other students making fun of those who are trying to show care and concern for their school, what it stands for, and their fellow students. There are many things that upset and irritate me, but none do this so bad as seeing someone hurt the spirit of my school. Once school spirit is damaged, it leaves a scar. The initial wound may heal very quickly but the scar will still show for a long time to come. I can't really think of a way to make the school spirit perfect, but I have many views and ideas on how to improve it. We need to try some way to reach out to the fellow students of ours and show them what school spirit means to us. If we were to show them, they would respect it and uphold it longer and better than if we were to just talk about it. I know speak louder than words. Someone will watch me do something before they will listen to me tell about doing it. In order to have a school spirit, all people, not just a few must participate. For if there is ever the smallest minority, the cause will be damaged. This small few could take away from the meaning of the whole idea, thus killing its effect. I want Elba High School to be the best school around and in order to do this we must go out and create within ourselves and our school the best school spirit around.

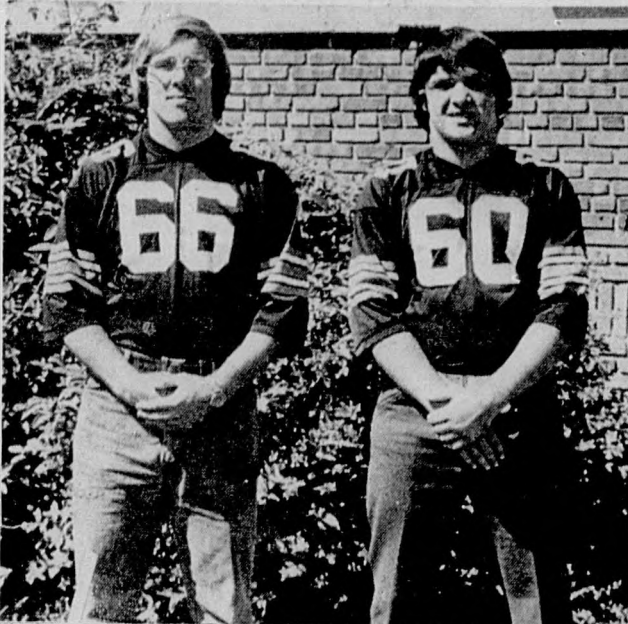

FHA INITIATION

The 2nd period class of FHA had its initiation for new members last Friday, September 27. The initiation committee had the new members to wear long dresses, bobble socks, sneakers, and our hair in pony tails. Then we had to dance like they did back in the '50's. The committee chose the best dancers and they were: Donna Morrow and Jan Wise. Best dressed was Greta Sondergaard; worst dressed - Santoria Folmar. We then had refreshments. I think that everyone enjoyed it.
SANTORIA FOLMAR Reporter

Joel Smith Family Has Get-Together

A get-together was held September 22 at the Coffee County Pond for the family of the late Joel Smith. Each member carried a covered dish for the noon meal. The family had a day of fun and reminiscing. All the children could not attend, but those present are as follows:
Mrs. Ella Lee Ellis and children; Mr. and Mrs. George Dowdy, both from Montgomery; Mr. and Mrs. Thurman, Ellis and son, Chris, from Augusta, Ga.; Mrs. Vera Bell Hutto and guest, Mrs. Blalock, Andalusia; Mr. and Mrs. Ewell Blanton and daughter, Susie; Mr. and Mrs. Roger Goodson and daughter, Stephanie, all of Elba; Mr. and Mrs. James Brooks and children; Mr. and Mrs. Lamar Brooks and son, Joe; Mr. and Mrs. Donnie Daugherty and children, Chuck and Brook, all of Elba.

Miss Gypsy Blue

***This week our "Very Special Person" is indeed a Very Special Person. She is Miss Gypsy Blue, or Miss Gypsy, as most folks call her. Miss Gypsy is very special as she is the oldest resident of the Nursing Home, and is the only one still living of the first group of patients who were admitted in 1967 when the Nursing Home first opened.

Miss Gypsy was born January 15, 1881, and will be 94 next birthday. She is the daughter and youngest child of the former Kitty Jordan Blue and Dr. J. P. Blue, who came to Elba originally from one of the Carolinas. She and her three sisters who remained unmarried and one unmarried brother.

She was born and reared in what is known as the J. P. Blue home, and now houses the OEO, but is still in the Blue estate. Mr. George Morrow, of Greenville, who married Miss Gypsy's great niece, the former Mary Frances Arnold, was Miss Gypsy's great nephew. Miss Gypsy's parents, Mr. Blue and "Granny Blue," as everyone referred to her, and who lived to be 94 years of age, lived there and later when the "Three Blue Girls" lived there, and how it was a gathering place for friends and acquaintances of years. Miss Gypsy is also visited quite frequently by Mr. and Mrs. J. P. Blue, who come every other Sunday to spend some time with her and she excitedly looks forward to these visits.

When asked how she came by such an unusual and pretty name, she laughed and replied, "The family liked it, I reckon. She has a namesake in Elba, her great-great-niece, Gypsy Morrow, daughter of Mr. and Mrs. Jake Lubert Morrow."

Miss Gypsy graduated from the highest grade they had at Elba High School. She worked at a dry goods store, Clark, Cain and Elmore for many years. She also worked at Armory Mercantile, Vaughan Mercantile and Conway Mays Mercantile many years ago. She was a stenographer for Riley-Carmichael Law Firm. She is a Baptist and belongs to the First Baptist Church. She has never married, but has three sisters who remained unmarried and one unmarried brother.

Her hobby is gardening, and she is a very alert and "bright as a penny," she said. Of course, I don't wear it much now, but I use to red and blue are my favorite colors. She replied, "Anything," when asked her favorite food. "O, yes, it's as nice as can be," when asked about living at the Nursing Home. Dr. Kimney is her doctor, whom she said she likes very much. "I reckon."

OLD J. P. BLUE PLACE ON PUTMAN STREET

Miss Morrow told of Miss Willie's pupils and she asked him for a goat for her little niece, Mary Frances. Years later, they grew up and Mary Frances and George were wed. In response to some questions asked her, responses, I might add, which were very positively and quickly given, as she is very alert and "bright as a penny," she said. Of course, I don't wear it much now, but I use to red and blue are my favorite colors. She replied, "Anything," when asked her favorite food. "O, yes, it's as nice as can be," when asked about living at the Nursing Home. Dr. Kimney is her doctor, whom she said she likes very much. "I reckon."

***Mr. Ed Fillingim, brother of Mrs. Lummie Plant, is recuperating in Elba General Hospital. We wish for him a speedy recovery.

***Happy to hear that Mrs. Frazer Ringdorf (Gemma), is getting along nicely after having undergone minor surgery in Birmingham.

Dr. Keith Dismukes and wife, Jera, and little son, David, have returned to Birmingham after spending the summer with his mother, Mrs. Louise Dismukes.

Keith was doing graduate work at the Enterprise Hospital.

From there, she visited Morro Bay, an old fishing town, and Monterey.

She said, "One of the prettiest things was in San Jose, all the roses, climbing roses, tree roses, the bougainvillea, and fuschia. They were just gorgeous."

She said as if she had a marvelous time and really enjoyed her trip, but we are glad to see her home here, Alaine! Welcome back home!

***Mr. and Mrs. Lummie Plant, former residents of Elba, are residing temporarily in Columbus, Ga. and who still have their home here, have just returned from a two-week combined business and pleasure trip to points of interest in several of the Western states. Although it was primarily a business trip, and this was their first trip West, they said everything was so pretty and inviting, they just couldn't resist enjoying some of the sights along the way. Since they traveled by car and stayed in motels along the way, some of the most beautiful and interesting sights were viewed right from the car as they traveled.

They had originally planned to go to the World's Fair in Spokane, Washington, but decided to return a little early. A coincidence of the trip was bumping into four of their old friends, who were on their way to the World's Fair, and having lunch with them. Plus, meeting several of their old friends traveling enroute.

A special feature of the trip was a fashion show presented by a local clothing store. In connection with the fashion show, the tables were decorated with beautiful white spray-painted white and different colors draped on them.

While Mrs. Plant's fondness for the scenery is apparent, "the highlight of Mr. Plant's trip was fishing. Donna Lake at Lake Tahoe. He was already familiar with the territory, they covered since he was once a truck driver. He already knew about Donna Lake, but had never fished there, and he always dreamed of going back. The water is crystal clear and it is stocked with some beautiful rainbow trout, of which Mr. Plant caught a few. In Nevada, they also spent two nights in Reno, touring the night spots.

They visited Salt Lake City and the Bonneville Salt Flats. They came back through Reno, and Mr. Plant caught a few. In Nevada, they also spent two nights in Reno, touring the night spots.

***Mr. and Mrs. Sam Sawyer and Mr. and Mrs. Chas. Jacobs spent last weekend in Panama City, while there, they attended the Madden wedding.

***Mr. and Mrs. Bob Folsom and Mrs. Price Ring last Thursday to spend several days at the beach with Mr. and Mrs. Donald Hammonds of Dothan at their cabin, Mrs. Folsom and Mrs. Price.

***Mrs. Mable Lawless, Mrs. Lurleen Martin, Mrs. David Deal, Mrs. Iva McGary and Mrs. Althea Prescott attended the Annual Conference of United Methodist Women held at Blue Lake on Saturday, September 28.

***Mr. and Mrs. L. F. Inman visited their sons, Joel and Mr. and Mrs. David Inman, in Birmingham last Saturday and returned to Elba Sunday. While there, they attended the Bama game. We heard his and David and his wife, Susan, had a good time and enjoyed the game, but not quite sure about Sonny and Joel, who happen to be Auburn fans.

***Mr. and Mrs. Ralph B. Beach of Atlanta, Ga. visited their grandson, George Goodhart (Parker) for his 10th birthday. George is the son of Mrs. Mary Parker. The family had a small party Saturday for Dennis Pease and George Parker who share the same birthdays.

***Mr. and Mrs. Larry Cross, former residents of Elba, visited here this weekend. They have recently moved to Gadsden where Larry is Court Reporter. They attended the Methodist Church and visited with the Weylan Sharpless Sunday afternoon.

***Mr. and Mrs. Robert Cooper were visited this past week by their daughter, Mrs. Philip Bernstein of Montgomery, the former Susan Cooper, and their little 16-month-old grandson, Brian, who is his grandparents' pride and joy. Also visiting them were their son and his wife, Mr. and Mrs. Bobby Cooper of Birmingham.

***Miss Donna Adkinson of

Mrs. Pearce Honored At Retirement

Mrs. Laura Pearce, the former Laura Lee, was honored at a retirement luncheon on June 21 by employees and co-workers of United Telephone Company, in the lounge of the Traffic Department, at Lake Placid, Fla. She was also presented with many gifts.

Laura is the sister of Mrs. Coston Pearce (Mildred) and the sister-in-law of Mr. and Mrs. Lewis Pearce, all of Elba.

Laura began her career June 28, 1940 as an operator (now known as Inter County Tel. Co.) soon after Avon Park was made toll center for the Northern District. She remained in this position until 1953, then advanced to Service Assistant and Service Assistant Instructor, which required supervising and training operators.

She lives in Avon Park, Fla. In 1940 she was chosen by the company as group Chief Operator. Laura said she has seen many changes and tremendous growth during her employment with the company. The biggest and most memorable change was direct distance dialing, which enables customers to dial distant numbers direct.

Laura was also honored on July 12 at a dinner held at a local restaurant in Lake Placid, Fla. "I have enjoyed my work, and I glad I chose telephone work as a career."

They couldn't drive into Old Mexico, but had to walk and hire a taxi because someone had stolen their car tag. They figure it was stolen for one of two reasons, either it was for an automobile theft ring or it was taken as a souvenir from the great state of Alabama.

In Dallas, they visited the site where President Kennedy was assassinated.

They had originally planned to go to the World's Fair in Spokane, Washington, but decided to return a little early. A coincidence of the trip was bumping into four of their old friends, who were on their way to the World's Fair, and having lunch with them. Plus, meeting several of their old friends traveling enroute.

Baby Girl Born To Mitchums

Mr. and Mrs. Milton Mitchum, the former Kathy King, are the proud parents of a baby girl, born Friday, September 13. Kimberly Dawn weighed 7 lb. 10 ounces. The Mitchums live in Milton, Florida.

Grandparents are Mr. and Mrs. Earl Mitchum of Milton, and Mrs. W. A. King of Elba.

WEIGHT WATCHERS HOLD OPEN MEETING

"National Open Meeting Month," a special program designed to give weight conscious people the opportunity to learn first-hand and without charge what goes on at a Weight Watchers meeting, will be conducted here from September 20th to October 20th.

The event was announced by Jean Nideth, Founder of Weight Watchers International, Inc., and by Carole Solheim, Area Director.

They said that during National Open Meeting Month people who are at least 10 pounds overweight may visit a scheduled open-meeting at no cost, so that they can discover for themselves the warmth, the friendship and the understanding that prevails at these meetings.

By attending a meeting during National Open Meeting Month, people who are eager to get rid of unwanted pounds will be encouraged to take a first and very important step and keeping it off.

Visitors will receive a handout called "The Friendly Persuasion of a Weight Watchers Meeting" that features "A Weight Watchers Program" containing 21 meals like those enjoyed by members while they are being helped to lose weight on the famous Weight Watchers

Miss Roberts To Wed

Peter Kimbro, of Columbus, Georgia, and the late Mr. and Mrs. James Warren Roberts of Damascus, Alabama.

Miss Roberts is a graduate of Elba High School and Enterprise State Junior College, and received her B.S. degree in business administration from Troy State University. She is presently employed as a management analyst at Ft. Rucker.

Grandparents of Mr. and Mrs. Kimbro are Mr. and Mrs. John Andrew Walker of Elba, and the late Mr. and Mrs. Gains W. Rice of Halesville, Alabama.

The groom-elect is a graduate of Elba High School and has served six years in the U.S. Army. He will complete his studies in accounting at Troy State University in November, 1974, and will begin his MBA at the University of Alabama in January 1975.

The wedding will be an event of November 30, 1974, at 12 o'clock from the Westwood Baptist Church in Elba. No local invitations are being sent; however, all friends and relatives are invited to attend.

***Mrs. Nellie B. Martin, Mrs. Mayo Prescott and Mrs. Baxter Bryan attended the membership tea of the Enterprise Branch of the American Association of University Women, held on Tuesday, Sept. 24, in the Student Center of Elba.

Mrs. Jewell Smith, president of the Enterprise Branch, presided. An enjoyable program was presented by Miss Mary Collier, daughter of Mr. and Mrs. George L. Collier, of Elba. She sang two numbers from the musical, "Showboat" and one from "South Pacific."

She was accompanied by Sara Ann Whaley of the TSU Music Department.

Mrs. George L. Collier and Miss Jeanette Garrett of Elba also attended the tea.

opportunity for the members who are next door neighbors to "get together" for a pleasant interchange of fellowship and friendship.

Those present were Mrs. W. R. Crook, Mrs. T. T. Rhodes, Mrs. Price Ring, Mrs. Flournoy Whitman and Mrs. Wayland Bryan. Mrs. Mayo Prescott and Mrs. R. H. Lee are also members, but were unable to attend.

A delicious party plate was served by the hostess, Mrs. Martin, to the above-mentioned.

***Had the sweetest note from Mrs. O. M. Fox of Rome, Ga. last week. Brother and Mrs. Fox resided in Elba for several years when he was pastor of First Baptist. They will be remembered by their many friends and acquaintances as being kind, gracious and loving Christians ever. I have never met them personally, but Mrs. Fox and I have a sort of sporadic correspondence, and many people have expressed the above words when speaking of the Foxes. Getting back to the note, she said she thought she would make a scrapbook of the nurses spotlighted in the Nursing Home. "No doubt some of my dearest friends are patients there." I'm sure they would love to hear from some of their friends here. If you have time, drop them a line. I'll obligate Mrs. Fox to reply. Thank you for the kind words for the addition to the CLIPPER, Mrs. Fox.

***Attended the Little Miss Elba Contest last Thursday night and have never seen so many pretty little girls

TIGER'S BUTCH (One Way) WHITE, 70, TACKLES WARRIOR HENDERSON FOR BIG LOSS

MAJORETTE JENNY HUDSON PERFORMING WITH MARCHING TIGERS AT HALFTIME

ELBA TIGERS DUMP DALE COUNTY 26-9

The Elba Tigers evened their record at 2-2 Friday night with a 26-9 win over Dale County. The Warriors are now 0-4 for the season.

After receiving the opening kick-off, the Tigers promptly marched 82 yards to paydirt. Riding the running of Bill Mickle, and the passing of Max Fuller, to Stan Lewis, the Tigers drove to the Warriors' three yard line, where Ronnie Culver bulldozed over for the touchdown. Clive Collier's pass was good, and Elba quickly led 7-0.

The Warriors drove right back down the field, and when the drive stalled Bobby Henderson kicked a 35 yard field goal to narrow the score. The first quarter ended moments later, with the score, Elba 7, Dale County 3.

The Warriors lone touchdown of the game came off Bobby Henderson's pick-off an errant Elba pass at the Dale County 55 yard line. After Mark Moore gained 13 yards on a reverse, Bobby Henderson threw a long pass downfield, and Wayne Parker grabbed the ball in a crowd, and dashed into the endzone for the score. The kick sailed wide, but at halftime, the score was Dale County 6, Elba 7.

The Tigers regained the lead by driving 71 yards in the third period for a score. Elba led 14-6.

After Bill Mickle bulldozed for seven yards out to the 38, Max Fuller passed to Freddie Haney for the first down at the Elba 43 yard line. Fuller then kept for a three yard gain, followed by an eight yard dash by Mickle down to the Warrior's 47. Larry Phillips then gained seven yards, but Culver was dropped for a third and five. Phillips swept the left side for 8 yards, giving the Tigers a first down and 10 at the Dale County 34. After Phillips gained three, Bill Mickle broke loose for 12 yards to the Warrior 19. Phillips then hit for five yards, followed by a four yard gain by Mickle. However, on third and one Phillips was dropped for a yard loss. On fourth and two, Elba's star tailback, Bill Mickle went off left tackle, and then broke to the right for the touchdown. Collier's kick was again true, and with 3:42 left in the third period Elba led 14-9.

The Warriors drove deep in the Elba territory late in the game, but the Tigers Bruce Donaldson's interception ended the threat, and Elba ran out the clock.

The Tigers got another chance with 1:08 left in the period when Freddie Haney recovered a Warrior fumble at the Elba 45 yard line. Bill Mickle gained eight yards to the Warrior 48, and then Win Westbrook hit for 10 to the 38. After Tommy Cooper gained five on a reverse, a fumble was recovered by Elba, and the loose ball had rolled six yards before being recovered by Mickle. Then he gained four yards, followed by Westbrook's six yard scamper. Ronnie Culver then hit the line twice, moving the ball down to the Warrior nine yard line. After Donaldson was stopped for no gain, Phillips ran to the four, and Bill Mickle then bulldozed over for four yards for the score. The pat was blocked, but Elba now held a 20-9 lead with 7:51 left in the game.

The Warriors gambled on their next series of downs, were stopped on a fourth down and one on their own 33 yard line. This time it took the Tigers only three plays to score. On the Tigers first play Max Fuller fired a pass to Freddie Haney, and the play carried to the Warrior 10 yard line. After Westbrook carried to the eight, freshman Larry Phillips raced around left end for the touchdown. The pat was again blocked, but with only 4:45 left in the game, Elba led 26-9.

When asked about the offense, Bass said, "We were overall consistent, and our line blocked well. Both Max and Bill had good games."

"All three tailbacks ran well," commented Bass. "Mickle gained over 100 yards, and Phillips and Westbrook both gained good yardage."

When asked about the defense, Bass said, "We were overall consistent, and our line blocked well. Both Max and Bill had good games."

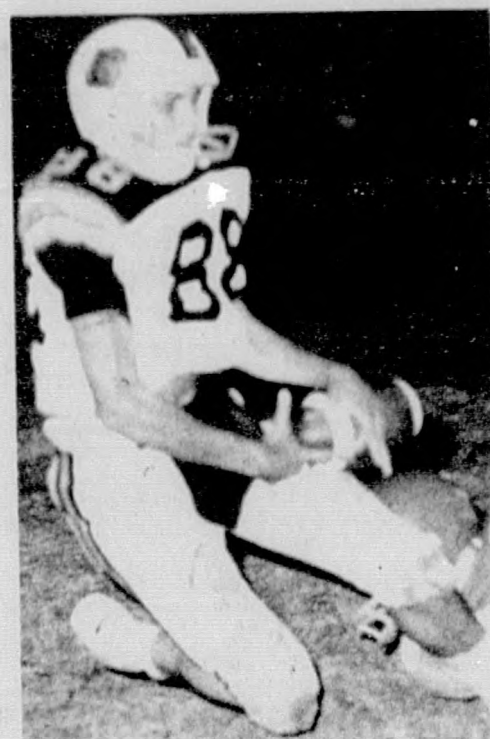

"Our defense looked good at times," remarked Bass, "and Bryan Grimes and John Mincey had good games. Our linebackers, David Smith and Mickey Marler both are improving, and played good."

"Overall we looked good," said Bass, "but there is definitely room for improvement."

BY RICKY MULARZ, SPORTS EDITOR

Andalusia and Opp remained unbeaten, setting up this week's "battle of the unbeaten."

ANDALUSIA, OPP, GENEVA, ZION CHAPEL ALL POST WINS

The Andalusia Bulldogs got the scare of their lives Friday night before they subdued upset minded Troy 20-10. The Bulldogs had to stop the Trojans two-point conversion with only 2:38 left in the game to chalk up their third win. Perhaps the Bulldogs were caught looking ahead to this week's battle with Opp.

The Opp Bobcats continued to roll along as they dumped Greenville 33-6. This marked Opp's fourth win of the season without a defeat, and it appears Coach Randy Griffin has turned things around for Opp.

Max Griffin's Geneva Panthers continued to surprise the predictors by rolling over W.S. Neal 28-14. The Panthers were picked by many to drop their opening four games, but have emerged with a 3-1 slate. The Panthers are 5-0 in regional play, with Opp and Andalusia left.

The Zion Chapel Rebels continued their march to the state play-offs by demolishing Long 41-6. The Rebels are now 4-0, and haven't been threatened thus far in the season.

ENTERPRISE, EUFAULA, T. R. MILLER - ALL LOSE

The Enterprise Wildcats were knocked off their "high horse" Friday night when Southwest High of Macon, Georgia dropped the previously unbeaten Wildcats 14-6. Enterprise was being talked about as a powerhouse after their Ozark win, but now appear to have just another good football team.

The Eufaula Tigers continued to struggle through the season, as they fell to Ozark 24-20. The Tigers are consistently a sound football team, and are much better than their 1-3 record might indicate. It will surprise me if the Tigers don't have a fast finish.

The T. R. Miller Tigers lost their first game of the young season when they fell to Altmore 18-7. The Tiger defense was unable to stop Altmore's Lou Kiker, and the speedster proved the difference in the game.

ELBA TIGERS EVEN RECORD AT 2-2

It seems that whenever Elba Coach Paul Bass declares a game a "must" win for the Tigers, they play their best and win. So was the case Friday night. Bass had said earlier in the week that Elba "must" beat Dale County in order to get on track for the upcoming games. So Elba goes to and routs Dale County 26-9. Even though the win over the winless Warriors is certainly nothing to brag about, it does create a winning attitude among the players. The win over Dale County evened Elba's record at 2-2, and for the first time this season things are looking bright in "Tigerland."

PREDICTIONS

The ole crystal ball came through with 72% right last week, and with the many big games across the state this week I hope the reception stays clear!

ZION CHAPEL-ARLTON The Purple Cats could prove to be the Rebels toughest competition thus far, but Coach Hutchison will have his troops ready for battle. Zion Chapel 34, Arlton 14

ENTERPRISE-TROY The Trojan's gave Andalusia a scare last week, but the Wildcats should be smarter after last week's loss. Enterprise 17, Troy 7

NEW BROCKTON-PENSACOLA LIBERAL ARTS The Gamecocks took a shellacking from Elba's "B" team last week, and the libeled loss may have dampened spirits in New Brockton. Pensacola Liberal Arts 12, New Brockton 8

ANDALUSIA-OPP This has got to be everybody's "Game of the Week!" The Bulldogs are 3-0 and appear a powerhouse. The Bobcats are 4-0. They appear good, but not great. I'm going against the crystal ball in this one. Opp 13, Andalusia 10

ELBA-W. S. NEAL Hopefully, the Tigers have solved their problems. The Eagles from Neal have a good team, but I'm sticking with the Tigers this week. Elba 14, W. S. Neal 6

Elba's Dennis Smith Starting At Clemson

Dennis Smith, ex-football star at Elba High School, has earned a starting position in the defensive secondary at Clemson University in Clemson, South Carolina.

Denise lettered three years in football while at Elba. The Tech speedster had gained 47 yards before Smith's tackle.

The extra point was blocked, following the long run, and the Yellowjackets to a field goal.

Denise intercepted a Tech pass at the Clemson 24 yard line with only 1:51 left in the game to kill Georgia Tech's hopes of a comeback.

Denise is the son of Mr. and Mrs. Arthur D. Smith of Elba, and resides in Clemson with his wife, the former Jan Young, of Elba.

Elba Juniors

Bomb Opp 28-8

The Elba Junior High Tigers ran their record to 2-0 last Thursday night with a 28-8 win over Opp.

The Tigers wasted little time in scoring, when on the first play after the kick-off Larry Phillips broke loose for 63 yards and a touchdown. The extra point was blocked, and Elba led 6-0.

After Elba's defense stopped Opp, Elba's quarterback Ken Martin raced 53 yards on the first play to up the lead to 12-0.

The first quarter ended with the score, Elba 12, Opp 0.

Elba tallied once in the second quarter. Larry Phillips again broke loose, this time going 30 yards for the Elba touchdown. The two point conversion was successful, and at the half the score was Elba 20, Opp 0.

After a scoreless third quarter, Opp tallied their lone touchdown of the game. Opp's Whigham hauled in a Bobcat pass and raced 55 yards for a score. After a successful two-point conversion, Elba led, 20-6.

The Tigers scored their final touchdown in the waning minutes of the game. Jeff Stuart bulldozed in from 10 yards out. The two point conversion was good, and the game ended with the score Elba 28, Opp 8.

Troy Keeps

Pace In GSC

Race

Southeastern Louisiana ran its record to 3-0, and continued to hold a slim 1/2 game lead, by defeating Livingston University 27-21.

Southeastern holds their slim lead over Delta State, Troy State, and Jacksonville State, all 2-0.

Delta State routed Northwestern Louisiana, 35-7, while Jacksonville was blanketed by Tenn. Martin, 17-0, and Troy was dumping Nichols, 26-0.

Troy held a slim 3-0 at the half, but the Trojans came on strong in the second half with three touchdowns. Quarterback Bobby Lee had two scoring strikes to Mike Culbertson.

In the Canes first game, against Sarasota, Gary was credited with 5 unassisted tackles and 7 assists.

His outstanding play earned him mention in the "St. Petersburg Times" as the games outstanding defensive player.

Manatee County High School is a class 4A school, with student enrollment of 3100 in its three grades. The Hurricane football team went to the state play-offs last season, and appear a contender for the play-offs again this season.

Gary is the 16 year old son of Mr. and Mrs. Frank A. Mularz of Bradenton, FL.

In his two games as a Hawk, Drew has poured in 43 points, and leads the team in scoring.

Don Chaney of the Boston Celtics said Friday he will jump to the ABA St. Louis Spirits after playing out his option this season. Chaney started for the Celtics last season, and is considered a Celtic standout.

Johnny Miller scored his eighth victory of the season Sunday. And in doing so set a pro golf record of \$346,733 in money earnings for the year.

Miller's winnings surpass the old record of \$320,542 set by Nicklaus in 1972.

Charles McClain's one yard run made the scoreboard lights flicker again and with Jet Moultry adding the two point conversion, the Rebels increased their lead to 28-0.

Long High's only T.D. came in the 2nd quarter when James Willis, let Moultry went in from two yards with Rex Marler adding the point after. Zion Chapel led at halftime 35-8. Zion's final points of the game.

The University of Alabama's Jerry Pate, who recently won the U. S. Amateur Golf Championship, has been selected to play for the U. S. team in the World Amateur Team Championship in La Romana, Dominican Republic, on October 30-November 2. The U. S. team will compete for the Eisenhower trophy, which is presented to the winner.

Charles McClain's one yard run made the scoreboard lights flicker again and with Jet Moultry adding the two point conversion, the Rebels increased their lead to 28-0.

Directions To W. S. Neal High School

In an interview with W. S. Neal head football coach David Salter, the Eagle coach offered the following directions to the game.

Take Highway 84 to Andalusia. When you get to Andalusia, take Highway 29. Follow 29, 45 miles to the East Brewton city limits. Approximately 1/2 mile inside the city limits will be a sign showing the way to W. S. Neal High School. The school is two blocks from the sign, so the stadium lights should be visible.

Coach Salter said, "All fans should leave at least by 5:15 because it is a good 2 hour drive from Elba. Game time is 7:30 p.m."

Coach Salter requests that ---All Elba fans drive carefully.

Saturday Football

Penn State at Army Maryland at Syracuse Baylor at Florida State Purdue at Duke

Front (L-R) Dennis Pope, Mickey Kelley, Scott Dutton, Greg Parker, Shane Phelps, Scott Farmer, Donnie Morris, RECORD CROWD ATTENDS

AUBURN-VOL GAME

The estimated record crowd for Tennessee's first ever football game in Auburn was estimated at 64,293.

Auburn business manager Bill Beckwith said the Tigers' victory, he said, "will mean over a quarter-million dollars in revenue for our upcoming games!"

"We must have a good game against Neal," said Elba Coach Paul Bass, "because we have some hard games coming up."

Adding, Bass said, "We need to be consistent against the Eagles, and win, if we hope to have a winning season!"

Coach Bass gave the following scouting report on W. S. Neal.

"They run from a wishbone and run it exceptionally well," said Bass, "they have three different options; the wishbone, a veer, and a slot formation."

Bass rates the Eagle quarterback high. "Gary Ryals is a good passer and an exceptional runner. He is undisciplined."

"Defensively they must contain their quarterback," insisted Bass, "and attempt to slow down their option. Our defense must be consistent if we're to have a chance."

Bass feels both clubs have the material to move the ball, and expects a fairly high-scoring game.

"Defensively they must contain their quarterback," insisted Bass, "and attempt to slow down their option. Our defense must

Danny Creel, left, and Wayne Suley, right, are shown with the snake that killed last Wednesday near the Basin community. Helping with the kill was Jimmy Smith, who was first to find the big snake.

Officers Show Smith Charged With Poise Under Saturday Night Murder Emergency

Elated is the word to describe Elba General Hospital administrator James Nichols this week as he thinks back to the professional way all concerned handled the job Saturday night following the bomb threat. Nichols, who never misses a chance to brag on the hospital staff, was also full of praise for policemen, deputy sheriffs, highway patrolmen, firemen and rescue squad members. He told this newspaper, "I was amazed at the speed and efficiency of these people in an emergency." He also commented that he didn't realize there were as many state troopers in Alabama as he had seen in one call for assistance.

The drama began to unfold Saturday night at approximately 9:30 p.m. when a telephone call was received at the hospital stating that a bomb had been planted somewhere in the building and was set to explode before daylight. The call was received by Mrs. Blackmon and she noted that the voice seemed to be that of a female. A later call from the same person simply asked if the heating system was working and hung up.

Nichols was notified in Enterprise and before returning to the hospital, he made arrangements for patients to be housed in vacant beds in Enterprise hospital if necessary. During this time hospital employees and law officers began a quiet search of every corner of the hospital, searching for a possible bomb. Elba Rucker bomb disposal squads stood by to remove any explosive found.

When a complete search turned up nothing, Nichols sat down with experienced law officers and they discussed probable places for hiding such a device. These places were searched again, and then the entire complex was checked again—all this without disturbing the patients. Also the nursing home was checked for a possible bomb. At 12:15 a.m. the decision was made to move all patients to Enterprise, just to be safe. Within thirty minutes all 21 patients had been moved and all but one had been moved to a heat patient that for safety reasons it was felt she should wait for an ambulance to return. Patients able to sit up were transported on law enforcement cars with nurses attending each car.

The nurses on duty at Elba General, remained on duty at the Enterprise hospital throughout the night. Local regular and auxiliary policemen remained on duty at the local hospital throughout the night.

All patients were returned to the local hospital at 10:30 a.m. Sunday morning. Now, the county is doing this work itself at a great savings. Pickups, large trucks and heavy equipment are all repaired at this one shop. One advantage of the central maintenance shop, according to O'Neal Ham, county engineer, is that machines can

get back to work quickly. Ham has four permanent mechanics and one parts manager at the shop.

Before the shop was built, mechanics had to come from major equipment distributors Birmingham or Montgomery to repair heavy machinery. The county had to pay the mechanics' mileage and other expenses. And sometimes the distributor in Montgomery or Birmingham had to be taken to the shop to fix the machine. Now, the county is doing this work itself at a great savings.

ASC Committeemen Election Date Set

A list of the names of all persons to receive ballots in the upcoming annual ASC committeemen election is available in the county ASC office, reports H. D. Entinger, County Executive Director.

ASC, an agency of the U. S. Department of Agriculture, is responsible for farm program administration. On the local level, ASCS operates under a farmer-elected committee system. This year's election will be by mail ballot between Nov. 18 and Dec. 2. Anyone who meets the following requirements is eligible to vote in these farm-committee elections: any individual of legal voting age with an interest in a farm as owner, tenant, or shareholder who is eligible to participate in any ASCS program.

Persons not of legal voting age who supervise and conduct farming operation on an entire farm are also eligible to vote in ASC elections. No person can be denied the right to vote because of race, sex, color, religion, or national origin. Several general provisions relate to ASC voter eligibility. A wife who operates a farm with her husband can vote if her name is on the deed of conveyance. A youth under 18 years of age can vote if he runs a farm, and a legal guardian who runs a farm for a child can vote for the child.

A person may cast a ballot in any county in which he is an eligible ASC voter, but he or she can not vote in more than one community in the county. If an eligible voter has separate farm interests in more than one community, special care will be taken to see that only one ballot is issued to that voter.

New County Shop Operating

Coffee County is proud of its recently completed county maintenance shop located next to the Farm Center Complex in New Brockton.

Before the shop was built, mechanics had to come from major equipment distributors Birmingham or Montgomery to repair heavy machinery. The county had to pay the mechanics' mileage and other expenses. And sometimes the distributor in Montgomery or Birmingham had to be taken to the shop to fix the machine. Now, the county is doing this work itself at a great savings.

Major Leaguer Visits Elba Kin

Larry Parrish, of Haines City, Florida, and grandson of Mr. and Mrs. Charlie Parrish of Elba, has just completed one baseball season and is preparing to begin another.

Larry was called up to play third base with the Montreal Expos during the month of September, following a stint in minor league ball. Parrish will leave on October 15 for the Dominican Republic, where he will play in the winter leagues. Six or seven major league players are chosen each year to play on each of their teams.

Parrish has been with the Expo organization since 1972. In '72 he played in the Rookie League in New York, and in '73 played in the Florida State League in Ft. Lauderdale. He was named the League's "Most Valuable Player."

During this time with the farm teams (Parrish was signed by the late Zack Taylor, who spent some time playing in Dothan, Alabama), he recorded a .285 batting average, hit 13 home runs and was credited with 80 RBI's—all in 1973, before moving up to Montreal. He hit .455 during the year of Jr. College play.

He noted that he didn't hit as good after moving up to the majors. He reported that he was "pulling the ball too much." This he plans to correct this winter. Also, he too was working on hitting the outside balls better.

The six-foot-three-inch

major leaguer hopes to buy some farm land around Elba and make this his winter home. Parrish balls begin training with the Expos in February and if he makes the team, local fans may see him play in Atlanta.

He is the son of Mr. and Mrs. Allen Parrish.
